This property has a unique, iconic structure along with extraordinary historic architectural details. Vestal Corporation has been identified as the highest qualified firm for this scope of work to assist with the structural evaluation and associated services overseeing the recommended repairs. **RESOLUTION NO. 23-LRA-112**  
**PRESENTED TO THE BOARD – JULY 26, 2023**

**TO:** LRA BOARD OF COMMISSIONERS

**FROM:** LANCE KNUCKLES, DIRECTOR OF REAL ESTATE

**RE:** RESOLUTION ADOPTING A REVISED PRICING POLICY FOR LRA PROPERTIES

---

**EXECUTIVE SUMMARY:**

This Resolution adopts new and updated real estate policies in order to align with the new St. Louis Development Corporation Economic Justice Action Plan.

---

**BACKGROUND:**

The Board of Commissioners of LRA requested the Director of Real Estate to investigate and recommend new policies to enhance economic empowerment, equitable and inclusive development, and neighborhood transformation in conjunction with the Economic Justice Action Plan recently prepared for St. Louis Development Corporation (Resolution 22-LRA-813).

Following extensive investigation of best practices, input from focus groups and staff workshops, and public engagement, the Director of Real Estate prepared, and the Board of Commissioners adopted, a series of new policies to address these needs and update the existing policies to better orient LRA's sales practices to be consistent with the principles outlined and recommendations made in the Economic Justice Action Plan, while retaining focus on LRA's statutory directives to provide new housing, industry, jobs, and enhanced tax revenues (Resolution 23-LRA-003). LRA also adopted a revised Side Lot Sales Policy reflecting a reduced price and more streamlined application and sale process to better activate small or irregular sized lots under 4,000 square feet (Resolution 23-LRA-002).

In connection with this undertaking, the Director of Real Estate further reviewed LRA's pricing policies, which, prior to Resolutions 23-LRA-002 and -003, was last substantively modified in 2011 (Resolution 11-LRA-091). Having determined the standard price list adopted with Resolution 11-LRA-091 is not in alignment with the Economic Justice Action Plan or LRA's directives as priorities have changed, this Resolution adopts a revised pricing policy for parcels in LRA's inventory, excluding side lots, as reflected in the attached Exhibit A. The revised pricing policy acknowledges the Missouri State Auditor's recommendation that LRA revise its land sale pricing and is based on the City of St. Louis Assessor's most recent property valuations from 2021.
